

# King David's Peace Drummers

An Israeli drumming circle  
will be performing in  
the Hall Building,  
Room H-110

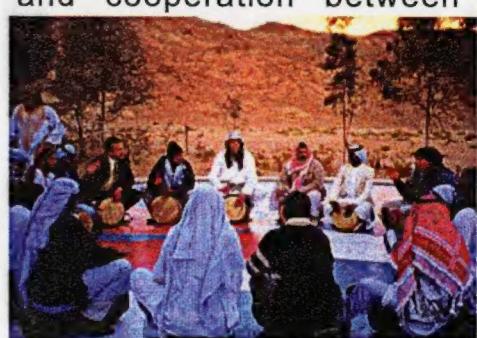

Monday, February 10<sup>th</sup>, at 2:30 PM

The Drummers Circle, an Israeli performance group, is unique in the musical and cultural landscape. Its hallmark is active and spontaneous participation of the crowd which sings, vocalizes and drums along with, the members of the group. The distinctive musical experience is created using numerous African drums and other percussion instruments. The energy and enthusiasm that emerges is magnetic and unforgettable.

The Drummers Circle was established in 1997. Its goal is to nurture understanding peace and cooperation between individuals, groups, and cultures. The joy, harmony and excitement generated during a drumming session is both a means of self expression as well as a joint spiritual experience. The communal creativity dissolves tensions, relaxes and creates hope. This "togetherness" can be harnessed to bring people together and serve as a starting point for future cooperation.

The Drummers Circle has performed with joint Jewish and Arab groups, at schools, private parties, unity and peace events, religious festivals, political and economic conferences all over the world.
